Each year our ***Baskets of Blessings*** tables expand not only in quantity, but also in creativity. Thank you to all who contribute to our fun event! We are expecting a record number of baskets at our 2023 conference. With the increase of baskets comes the increase of the donations that support our various Women's Ministry projects. If you are not able to contribute a whole basket, please consider making a financial donation and we will include your church name on a basket made by the State Office. Thank you all for supporting this exciting event! We look forward to viewing your creative work!
